

# The Endeavour Trophy 2015

We were honoured to have the opportunity to represent the Wayfarer Class at this year Endeavour Trophy, this is an event of eight races sailed over two days, this year in RS200's on the Rivers Crouch and Roach from Royal Corinthian Yacht Club

We arrived Friday for a morning of tuning and training advice from Pete Vincent after being issued with our new sails, then onto the water for some practice races, sailing the RS200 is completely different to sailing the Wayfarer, it does not allow for any mistakes, the training helped as Tom and I had not sailed together since the Nationals

Saturday saw us launch in light winds and strong tides for some enjoyable racing making it with the rest of the pack to the windward mark but losing places downwind, the wind increased during the day.

Sunday saw a fresher breeze and lots of tide, some awesome racing!

We achieved 19th overall but we were up against the best. Well done to Ben Saxton and Toby Lewis representing The Merlin Class who were able to discard a 1st position Overall a fantastic weekend we achieved our goal not to be last, our best result 16th

A brilliant well organised weekend our thanks to all at RCYC for their hospitality and making the event so successful

Look forward to seeing you all at Bough Beech on the 7th November for the Finale of the National Circuit Series
