

Wayfarer Family Gathering Ullswater

Sunday 4th August - Friday 9th August 2019

The Gathering is a week's holiday with like-minded people where everything is optional and the emphasis is on 'Family Time'.

Ullswater is in a wonderful part of the country, with easy access from almost anywhere. Ullswater Yacht Club is well situated with easy launching for the boats, and good facilities including an occasional bar, showers and toilets.

There is good fell walking, riding and cycling with other activities and places of interest not too far away. It could be regarded as an activity holiday, but only as active as you want it to be. The Gathering is suitable for families and those new to sailing, starting at a minimum of RYA Level 2 for helms, but much more experienced sailors also find plenty of challenge.

Accommodation takes the form of camping in tents on the Ullswater Yacht Club site, whilst camper vans are very welcome on the Cross Dormont campsite just a short walk away, with its stunning views over the lake.

Evening entertainments include a Quiz Night, home made band and hill walking.

Penrith offers a wide range of shopping opportunities (Sainsburys, Aldi, Go Outdoors), whilst for quick trips or lazier days Pooley Bridge has a good variety of restaurants and outdoor equipment shops. The shop at Park Foot campsite is a great source of emergency supplies of all sorts.

We work closely with the UKWA and membership is a requirement in order to attend.
