

WAYFARER FAMILY FESTIVAL

16TH TO 21ST AUGUST 2021

AT RUTLAND WATER SAILING CLUB

We are inviting UKWA and Wanderer Association members to a week's holiday with like-minded people where everything is optional and the emphasis is on 'Family Time'.

Rutland Water is centrally located, with easy access from almost anywhere. There is easy launching for the boats, and good facilities including a bar and canteen, showers and toilets.

The local area supports good walking, riding and cycling with other activities and places of interest not too far away. It could be regarded as an activity holiday, but only as active as you want it to be.

This event is suitable for sailors of all ages and those new to sailing, starting at a minimum of RYA Level 2 for helms, but much more experienced sailors also find plenty of challenge.

Accommodation takes the form of camping in tents on a field behind the Sailing Club site. Camper vans, motorhomes and tents of various sizes are all welcome. The Sailing Club provides toilets, showers and other facilities.

Evening entertainments include a Quiz Night, home made band and walking.

Oakham and Stanford offer a wide range of high quality shopping opportunities, and have a good variety of restaurants, cafes and a bakery.

We work closely with the UKWA to offer this 'Sailing in Company' event and membership is a requirement in order to attend.
